

Dear Friends,

As many of you know, the Building Fund is one very important way of ensuring that our precious teachers are able to bring the Mahayana teachings to as many people as possible in a centre that is both comfortable and accessible.

Please join with other generous donors so that Tara Institute can continue to offer an attractive venue for Dharma practice and teachings, a suitable residence for Geshe Doga – who, year after year, gives invaluable advice and teachings to so many people - and a focal point for our Buddhist community.

In the past we have used the funds in the Building Fund for a number of important and necessary maintenance projects. Additional funds are now required for future projects and continuing maintenance. Your contribution would be much appreciated.

We will put your generosity to good use, and for donations made before the 30th of June you will have the benefit of a **tax deduction** for this financial year. Please complete and return the form below to make a donation or a monthly pledge.

Sincerely,

Lois Smith,
Treasurer
